[Gear Template Generator 3 0 3 Portable](#)

The screenshot displays the 'Gear Template Generator' software interface. The main window shows two gear templates on a green grid. The left gear is larger and has 18 teeth, while the right gear is smaller and has 9 teeth. The interface includes a menu bar (File, Print, Units, Export, Help) and a title bar (Gear Template Generator - Default.gear Matthias Wandel). Below the grid are three panels: 'Gear properties', 'Spokes & more', and 'Chain & sprocket'. The 'Gear properties' panel is active and shows settings for two gears, Gear 1 and Gear 2. Gear 1 has 18 teeth and a tooth spacing of 1.500 cm. Gear 2 has 9 teeth and a tooth spacing of 1.500 cm. The 'Display' panel shows options like 'Show pitch diameter', 'Show line of contact', and 'Grid' (set to 1.000 cm).
